

Online Payments

Your account can be accessed from our main website www.sdwisp.com and clicking on “Existing Customers” in the upper right hand corner.

Once you have logged into the Customer Portal with your username and password, on the left hand side of the screen you will see the option to “Pay My Bill.” Click on this and you will be taken to a page where you can enter in your card information and choose to make either a onetime payment with your card, or put your account on auto pay.

If you need to make a change regarding your card information, choose “Payment Information” and you can update your current card’s information or add a new card.

Your username and password can be located within the email labeled “Internet Payment Due” sent from the billing system.
